

Submitter: Rodger Nichols

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

As a long-time reporter for both radio and newspaper media, it's easy to tell that people who want to make it harder or more difficult to vote do so to limit the franchise to people who have the resources and leisure time to do so. Oregon is about inclusion, despite the war on DEI coming from a convicted criminal in the White House. Please vote a resounding no on this bill.
