On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose SB 210 because it will limit voting rights which is in opposition to our constitutional rights of having a free and fair election. I pride myself, as an Oregonian, on our free, fair, and accessible election process and am vehemently against requiring in-person voting. It will impact marginalized people and especially elderly and disabled people disproportionately and is an absolute violation of their rights. I am demanding that our law makers stand for our rights and oppose this illegal proposition.

Sincerely,

Kathryn Farrington
