Vote by mail in Oregon and the Motor Voter law (automatic voter enrollment and updates from the DMV) makes it easier for everyone to vote. Each election year, I get to take the time I need to read through the voter guide and endorsements I need to make an informed decision. This year the ballot had new city councilors AND ranked choice voting and it took me over an hour to fill out. We don't have infrastructure to support every voter in Oregon voting in person and for it to take 30 minutes or more per person, and why should we? Vote by mail is convenient, equitable, secure, and accessible for all voters. The only downside to vote by mail has been the threat of vandalism and domestic terrorism from the Right that attempted (and mostly failed) to blow up ballot boxes to try to silence liberal voices in the Vancouver WA and Portland OR metro area. Vote by mail works, don't mess it up!
