Voting by mail is safe and ensures that all legally eligible Oregonian's are able to cast their vote. To mandate otherwise is unconstitutional and unamerican. As a healthcare professional, voting by mail is the only way my voice and vote is heard, I am not always available on actual voting day to stand in line and cast an in person ballot. This situation is not unique to me or even Oregonian's, as many voters can't take time off work to vote, aren't able bodied, etc. Voting in person on one select day is an archaic way to ensure voter suppression occurs and that the people's voice is diminished. This should not even be a discussion we are having. KEEP VOTING BY MAIL LEGAL IN OREGON.
