I am opposed to any rule that infringes on our 2nd amendment rights to bare arms. And we need to stream line the system. It is broken here in Oregon!!!

I want to be able to take my children and grand children Hunting. Those were some of the best times of my life. Camping and Hunting with my own grandparents, and parents. I want my grandchildren to be able to take hunters safety courses, so they can be doing youth hunting, As I was able to do as a young girl.
