

Submitter:

Luke Hostetler

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Requiring in-person voting would be a massive mistake. Oregon's mail-in voting system has proven to be accessible for everyone, trustworthy and the greatest guarantee of our freedoms as Oregonians. To undo this would mean silencing the voices of thousands of people across the state. Please use this hearing to reject yet another infringement on our right to be heard.
