To the committee,

As a 15 year Oregon resident, my ability to vote depends on the vote by mail system. I frequently work at remote locations outside of the state, and being able to review ballot and candidate details in the voter's pamphlet; choose where and when I fill out my ballot; and submit that ballot by mail have all allowed me to participate in our democratic systems. I believe that low-barrier access to voting should always be the priority of a functioning and fair government.

Thank you for your time.
