Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

As a 71 year old native Oregon I am 100% in favor of returning to the in person voting requirements with the same rules that we used to have with regard to absentee voting when necessary.

I was one of the first 18 year old voters in Oregon.

I value my vote and participation as a US / Oregon citizen.

I've personally witnessed the 'virtue' and integrity of voting decay ever since Oregon made it acceptable to vote by mail; where anyone with access to someone else's mail has an open opportunity to commit voting fraud.

respectfully submitted,
