Our vote by mail system is accessible, effective, and well organized. The only reason someone would try to destroy the vote by mail system is to disenfranchise voters. I have lived in many states and this is the only one where I know my vote is counted and I'm given the resources to know who I'm voting for. Vote by mail is the best option for reaching all registered voters. Any attempt to destroy this system should be viewed as unpatriotic and hostile to the citizens of Oregon.
