

Submitter:

Willis Baker

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

As a lifelong resident of Oregon I have witnessed an increased distrust in our current system of elections. Our voter rolls are bloated, our DMV is registering illegal aliens, our Postal Service is tasked with ensuring integrity and accountability is absent. I support voter ID, paper ballots and one day of casting ballots. I would like to see mail in voting abolished in Oregon.
