Keep voting easy. Mail in voting is safe & secure. Our elections work well as they are. Stop trying to ruin our voting system.

This bill is a joke. This bill is a weak attempt to disenfranchise voters. Just because you dont like that that your positions are not popular and your positions do not gain the voter majority, does not mean that you get to cheat and remove the ability for Oregonians to make our voices heard.

Just keep going, all the way that direction, til you fuck right off with your bullshit.

MAIL IN VOTING IS SAFE & SECURE IN OREGON. LEAVE IT ALONE YOU LOONEY TUNES JACK ASSES!
