

Submitter: Gregory Trimble

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Vote by mail is an Oregon institution, and brought about from the will of the people. Removing it will negatively impact Oregonians, especially in rural areas, where most will not have access to go to voting centers close by. Many people do not have the ability to leave their work for many hours to a full day to participate in elections, and voting by mail gives so many access to cast their vote.
