SB210

Oregon citizens depend upon local institutions, like our state legislature, its Senate, and its Senate Rules Committee to have the courage to stand up and oppose the systematic dismantling of democracy by a rising tide of authoritarianism among Republicans. We can't do this work alone. We need some of you to have the courage to stand with us. Now is the time. And everywhere is the place.

Every single law and norm must now be defended as if our future depends upon it. Because it does.

Stop SB 210 now, at this time, and in this place. Defend our access to voting.
