

Submitter:

Sierra Peck

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Vote-by-mail is integral to fair elections in Oregon. The people who would be most affected by this are those working full-time jobs in rural areas. Would you remove easy access to voting for anyone who is just trying to contribute to society and take care of themselves and their family? If vote-by-mail is repealed, everyone will feel the effects. Please listen to the people of Oregon and leave our voting system alone.
