SB210

To whom it may concern,

Voting by mail is an Oregon institution - everyone should have an equal opportunity to cast their ballot! Taking time off of work to stand in line on the only date available to cast your vote makes it more difficult for our citizens to participate in this crucial democratic process. Citizens in rural areas, the elderly & disabled all depend on the ability to submit their vote by mail. I urge our elected officials to oppose SB 210.
