Oregon's vote by mail system has proven to be safe and secure over the many years it has been in place. The ease of voting by mail in this state is directly tied to Oregon having one of the highest voter turnout across the nation. A vote to repeal the vote by mail system is a vote against democracy. It is a vote to strip citizens of their rights. It's a naked coordination with the federal efforts towards an autocratic society. Please vote no on this bill.
