

Submitter:

Jessica Mostad

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Voting by mail is an institution here in Oregon. It is accessible to those who cannot step away from work during the week or transport themselves to a voting location. Being able to vote by mail keeps more people literate in the voting process and care about the outcome. By taking away mail-in voting you would send the message that you want our public uninformed, less engaged, and apathetic.
