I am opposed to any legislation that would restrict or eliminate mail-in voting in Oregon. For older Oregonians, of which I'm one, it can be hard or even impossible to travel to a polling station, wait an hour or more, only to be confused by completing and submitting one's ballot. Mail-in voting works, and it works very well. All evidence, except that manufactured by the maga far-right, confirms that fraud is a non-issue. Reject this obvious assault on our highly successful and broadly admired voting system.
