SB210

I am a senior with disabilities and voting by mail ensures my constitutional right to participate in our democracy. This bill is blatantly and transparently authoritarian and designed to keep citizens from voting. And frankly it's deeply offensive to Oregonians. It has become crystal clear that maga gop is trying to disenfranchise all voters, including their own. You can be sure that voters WILL NOT stand for it. I would suggest that the writers and backers of this bill be sure their resumes are up to date because they're going to need them
