

Submitter:

Jenine Gomez Gutierrez

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I do not want a return to in person voting.

The potential fraud numbers do not support this change.

Personally, having a busy life caring for others, working, and having a compromised immune system, the convenience of mail in voting and the ability to read the provided manual about each campaign is crucial for me to cast a more educated vote.

No. Please keep mail in ballots.
