SB210

Vote by mail allows voters to be informed and make thoughtful decisions before submitting our ballots. It gives everyone a chance to participate in our democracy. Taking it away would ensure that people who cannot take time off work to go vote, are disabled, or lack proper transportation do not have a fair chance to have their voices heard. This bill is nothing more than a voter suppression tactic. We must protect vote by mail within our state from opposition both within our own legislator and from the federal government. This bill must not pass
