I STRONGLY OPPOSE this bill. Our voting system here in Oregon is not only effective and convenient, it helps to ensure everyone has a chance to cast their vote. It is secure and reliable. It's UNAmerican to do anything to restrict the will of the people. And frankly Oregon should and has been be a model for the rest of our united states, at least I pray they remain united. And I will do my damndest to see that anyone that pushes to get this bill through Oregon serves their last term ever ! I'll add, speaking to you representatives of the people: I'm sure you swore an oath, and I IMPLORE YOU, to find your better nature and do what you know is right, to stand up against authoritarian rule. You've see it. It's easy to see. When a man speaks like King, acts like a King, makes pictures of himself as a King— HE WANTS TO BE A KING. It is your role to shut that down and save American democracy.
