We dont need another gun-grab bill for this state. Oregonians have a constitutional right to own and carry firearms. As well as our 2nd Amendment rights. That "shall not be infringed".

We already have a current policy in place for firearms purchase with a background check on all firearms purchase. Which in itself should be illegal.

The background check already has this waiting period in place. While the state law allows up to 3 days for the background check it often days weeks or months to get this check. We don't need another hoop to jump through.

18 - 20 year old's can join the military, and protect our country. They deserve the same right while in home in the USA.

The Ban on firearms in public buildings and even more confusing is 'adjacent grounds' is nothing more than another way to make gun owners a soft target for the gun controllers of this state.

This new bill SB243 was nothing more than a quick creation from a 1 page study bill in an effort to add more RED TAPE to ownership in Oregon.

Please do not pass another crazy Gun Grab bill. We have our 2A rights and the Oregon Firearms ownership right in our constitution.

Stop the madness of trying to turn 60% of the state into criminals.
