I strongly oppose eliminating mail-in voting in Oregon. This has been a success and one of many across the nation. I live in a retirement town and can't imagine lines of people with walkers and canes, standing in line to vote. I equally remember having young children, babies on the hip, another grabbing my shirt wanting to leave. It's an absolute Republican LIE that there is any fraud in mail-in voting. You've already seen them lie about truck loads of fake ballots delivered at night in Michigan or Wisconsin in 2020, without mail-in voting. They just endlessly make up lies to throw out votes. They're deranged and power-mad. NO. Protect Oregonians access to the ballot and reject all of this Republican nonsense.
