I support SB 210. I believe it will ensure the integrity and validity of our election system, which is questionable under our current mail in system. People that are unable to vote in person would still be allowed absentee ballots. Mail in ballots can never be totally secure. I also don't believe the state should pay for the postage. That is an unnecessary state expense. As a responsible voter, it is up to me to get my vote in. I highly support the passage of SB 210. Thank you.
