

Submitter:

Michael Lonergan

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please do not in any way degrade the incredible right that is vote by mail. It affords each and every one of us the ability to sit down for hours or days to study the materials, discuss the candidates and their positions, and make a considered choice in who we vote for.

I consider Oregon a bastion of democracy for exactly this reason. I have voted in every election since naturalizing and this has made it possible to make considered choices, just as democracy deserves.
