I am vehemently opposed to getting rid of mail-in voting. It is one of if the great innovations in elections that Oregon has pioneered. Everyone should be able to vote in the easiest way possible and this is it. It also allows for more consideration of the facts before casting your vote.

It is insane to get rid of this process which everyone loves except for a small number of people who have been brainwashed into anti-American stances like making voting harder. There is no evidence of almost any voting fraud in this country so changing our process on the whims of Donald Trump and Project 2025 cannot be allowed to happen.
