SB243

Please vote No on SB243-1 and any/all other amendments. Please stop trying to take away my 2nd amendment rights. We see reports of felons arrested and released everyday. These repeat offenders were caught burglarizing, driving without licenses, breaking patrol privileges and are found to be in possession of firearms they have stolen or bought from another felon who stole them. This bill does nothing but punish and criminalize me and the Good citizen's of Oregon who own guns for defense and recreation. Please enforce the good laws we already have on the actual criminals. The supporters of this bill hate guns in anyones hands good or bad. They are anxiously waiting for more failures of enforcing our current laws so they can push their anti-gun agenda. They are instructed and funded by out of state special interest groups. This is just sad and wrong.
