

Submitter:

Vance Peterson

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I fully support SB210...I support having to demonstrate that your a citizen of Oregon before you can vote. I need to show my id to board a plane, see my doctor, or buy certain products. This would help bring transparency back to the process in Oregon and hopefully restore faith and trust, which are both in short supply these days.
