

Submitter:

Michael Brainard

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

In 2024 I went door to door talking with people about voting. Many people wished we could go back to voting on election day at their local Precinct. A few stated that voting by mail is convenient and preferred voting by mail. This bill would give the option to voters to vote in person or request a ballot. This meets the needs of all people. I fully support SB 210.
