

Submitter:

Marian Dixon

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am in chronic pain and a senior and it would be very difficult for me physically to have to vote in person. My mind is sound although my body is ailing. this bill is a thinly veiled attempt by Oregon republicans to kiss the ring of the trump-putin-musk regime and make it harder for thinking people to enjoy the right to vote that we have enjoyed. shame on those who proposes this subservience to the oligarchy bill
