

Submitter:

Kateri Eastman

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

This measure is reprehensible. Voting access is a right that defines democracy. Any impediment to an individual's vote undermines the democratic process.

I have long been proud of our voting system in Oregon; one of the most efficient in the country. Other states should be modeling their voting system after ours, not the other way around.
