

Submitter:	Holly Byrnes
On Behalf Of:	SB210
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

Oregon does NOT need any changes to its excellent mail in voting system. It is convenient and has a long track record of efficient, reliable votes from legally registered voters. Efforts to break this fully functioning system are at best misguided, at worst are an assault against the foundation of our democratic republic.

Vote NO to any change to Oregon's mail in voting.

Thank you.
