Measure, Appointment or Topic:

SB210

Mail in voting is essential to ensure as many citizens as possible have access to one of the most important aspects and responsibilities we have within our republic. It is so blatantly obvious that the goal to remove mail in voting across, not only the state of Oregon, but in many other areas across the country is a brazen power play to ensure voter suppression. Do not let Oregon be a pawn to alienate the voting citizens from making their voices heard!
