Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly oppose this bill that can only amount to voter suppression. Vote-by-mail ensures voters who cannot get time off to vote can make their voice heard and participate in our election process. As this bill does not also attempt to make Election Day a holiday this bill may as well be titled "keep poor people from voting". This bill should be opposed and should not come to bear on the good people of Oregon.
