

Submitter:

Jessica Groom

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly oppose SB 210. Oregon's mail-in voting has worked effectively for many years, is cost-effective, and ensures that individuals who would have difficulty with in-person voting due to work schedules, disabilities, transportation issues, etc. are all able to vote. Please oppose SB 210.
