SB210

I am writing to oppose Bill SB 210. Universal vote by mail in Oregon has made voting more available to Oregonians for decades. It was voted in by Oregon citizens by a large margin and continues to be very popular. Oregon has the highest eligible voter turn out of any state, probably because voting in this state is easy. Voting SHOULD be easy, we want as many citizens to participate in the process as possible so our laws and government accurately reflects the will of the people. This Bill SB 210 seeks to take away our ability to vote my mail, making voting more difficult for people who work a normal job or otherwise have difficulty making it to a polling place on a specific day and time. I strongly oppose this bill and believe it will actively harm the people of Oregon if it is passed.
