

Submitter:	Bruce Burggraf
On Behalf Of:	My family
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

As long as I've been alive, pretty much been mail in voting with all the research.I've done over the last four years and what i've seen since it became mail in voting i believe the only way to have a true fair and just election should be in person. With exceptions for people that are disabled and cannot make it to polling stations
