Oregonians love our vote by mail system. Repealing vote by mail is a move to disenfranchise left leaning voters, but make no mistake, it will disenfranchise ALL voters, left, right and center. Voting by mail is a convenient way to participate in our democracy, and opens up voting to the elderly, disabled, parents of young children, and those Oregonians who live rurally.

We also do not have the infrastructure to host in person polling places. Not only will this bill make it harder for those to vote, it will cost Oregonians a LOT of tax payer money to set up voting infrastructure we don't currently have. This is a lose lose bill for all Oregonians. I strongly oppose.
