

Submitter:

Tamera Satchell

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

My mother is in a wheel chair. this makes it very difficult for her to get out, particularly if she has to wait in long lines. vote by mail has worked for her and all of us for as long as I have been of the age to vote. Don't make it harder for Oregonians to vote! we have a fair and secure system now. we don't need to change it.
