SB210

Oregon has one of the highest voter turn outs because of our mail in ballot initiatives, do not turn back the wheels of progress to go to day of voting. Do these accolades of President Trump's Maleficence not under that people have lives, work obligations, things todo? Or is it because they realize this they want to discourage voters and decrease our turn out. Decreasing voter turnout is undemocratic and they should be ashamed for what they're trying to do. Oppose SB 210 and support democracy
