SB210

I am writing to oppose SB210 to take away my ability to vote by mail. I am already concerned that I will be able to vote because I took my husband's last name when I married. Now I have to worry about how all the barriers for me to drive to a voting location and stand for hours instead of sitting at my computer, doing the research, and completing my vote. Requiring seniors to stand in long lines for hours at a ballot box to solve a problem that does not exist knowing it will put barriers to voting for disabled Oregonians is clear voter suppression. Not in Oregon!
