Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

I oppose Senate Bill 243 as it imposes unnecessary restrictions on law-abiding gun owners and infringes upon Second Amendment rights. The proposed waiting period, age restrictions, and bans on certain firearm modifications will not effectively address the root causes of gun violence, such as illegal gun trafficking, criminal activity, and mental health issues. Rather than targeting responsible citizens, the state should focus on solutions that strengthen law enforcement and improve public safety without undermining constitutional freedoms.
