Sean Monfort

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Mail in voting is 100% the easiest way to manipulate elections not to mention our governor got rid of the privacy slip in our last election for governor you could look right in your envelope and see who you voted for for governor ?? it was even on the news and imagine that Kotec won Oregon has a serious problem if these coward antifa toddlers dont like a candidate they burn election boxes and burn portland and our elected officials bale them out maybe somebody should look into that???
