

Submitter:

Adrianne Reimer

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I wholeheartedly oppose the anti-democracy push to remove American citizens' voting access by repealing mail-in voting. I've been an Oregon resident for a decade, every election I've participated in has been fair and secure and it is the height of the American ideal that every citizen has clear access to the levers of government, as is guaranteed by the US constitution. OPPOSE the repealing of mail voting in our great state.
