Natural Resources

Measure, Appointment or Topic: HB5009

To Members of Natural Resources Sub-committee,

As an advocate for healthy streams in Oregon, I ask that you support full funding for the Private Forest Accord under HB5009. Many diverse groups have worked on the wording for this accord, it would be a great loss to see its demise.

Please support HB5009 to help with forest health, clean water, and wildlife resilience.

Sincerely yours,
Manuel De Aquino
