

Submitter:

Caron sue dodson Dodson

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I support returning to in person voting with valid id shown before given the ballot. Mail in voting is open to misuse and fraud. And I support putting this issue on the ballot for voters to decide because those of us on the east side have no say in how we are governed and instead of working with their Republican counterparts, the Democrats in control in Salem run right over the top of them. So let the people vote.
