

Submitter: Jennifer Ledbetter

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Do not take away Oregon voter access to mail in voting. We do NOT want this change and do NOT want to reduce access to voting by changing to an antiquated system. We have been running safe and equitable elections for a long time. Do not take that from us. Oregonians are responsible voters and are trustworthy of keeping our voting system by mail.
