Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Vote no on SB210. This is a solution in search of a problem. We've been doing vote-by-mail successfully for decades. The only reason this is even being considered is because Republicans can't admit that they lost the 2020 presidential election. And the reason for that is the leader of their party can't accept that he lost.
