

Submitter:

Amy Calhoun

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please support Oregon's mail-in voting! It is so important for people who cannot access physical voting locations to have their voices heard. Voting is a right for all American citizens over 18. This bill will only create obstacles and deny Oregon citizens their voting rights! Please vote NO on measure SB 210! Protect democracy!!
